MERA'S ROOM
Hakamada
Good afternoon, my name is Hakamada Mera. Thank you for picking up "The Last Uniform" ①.
Wow, my early drawings are so embarrassing.
There's a lot of mistakes— Sorry about the frame lines and things
The manuscript was returned for corrections
I always end up apologizing to the chief editor, Komori-san.
And,
Do it fast.
It's going to be at the last moment again, sorry
I'm so very glad
By the way, I really love the format. I was able to have it done for me by a designer I respect!!
HA HA HA!
But since I love girl's uniforms, I'm happy
It's kind of scary, I have nothing but manga about girls
I'm putting together a photo collection of uniforms
Though it's from a different publisher, There's also
"Fairy Idol Kanon" ①② for sale!! And in serialization!!
Sorry
Thank you all so very much!!
Grateful
I've received a wide variety of help from so many people to be able to bring this volume ① to you, the readers. I am truly happy.
To everyone who found time from their own manga or work to come over, thank you.
I wonder what I should draw here...
And my assistant, Mina-sama, did a lot for me. She's always a cute and steady worker.

▲ For making you pick up the manuscript on your day off, I'm sorry and thank you
